Sub:POWERGRID's successful foray into Tariff Based Competitive Bidding.

Dear Sir,

In terms of clause 36 of the Listing agreement it is intimated that Power Grid Corporation of India Limited has been selected as the successful bidder in their debut participation in tariff based competitive bidding for establishing transmission system associated with IPPs of Nagapattinam / Cuddalore Area: Package – A. In accordance with the guidelines for competitive bidding, Nagapattinam-Madhugiri Transmission Company Limited, the Special Purpose Vehicle incorporated to establish the transmission system on build, own operate and maintain (BOOM) basis, has been taken over on 29th March 2012 by POWERGRID.

The transmission system comprising 765 kV D/C & 765 kV S/C is to traverse the states of Tamil Nadu and Karnataka and is to be constructed over a period of 36 months. The award of the project is a major achievement for POWERGRID as it bagged this project competing alongside with the private sector majors.

Thanking you,

Yours faithfully,

(Divya Tandon)

Company Secretary
